

About Community Futures Winnipeg River

Community Futures Winnipeg River (CFWR) is a community based, regional economic development organization serving the North Eastman region of Manitoba since 1988. CFWR works to enhance community growth and prosperity for the North Eastman region. They build strength and knowledge within our businesses, entrepreneurs, social organizations, and local governments. At the heart of the Community Futures program is a firm belief that building local capacity gives communities the strength and ability to shape their own futures and to thrive in a changing economic environment.

CFWR [programs and services](#)¹ are designed to help rural communities strengthen the social fabric and economic potential and to capitalize on regional economic opportunities.
